

**Chris Taylor for County Attorney (Tom Green County, Texas) Television (30 Seconds)**

TAYLOR:

I believe that a person's word is their bond;

I believe that honesty and fair dealing is *still* the foundation of our society;

I believe that a good county attorney should be a person with integrity — one who holds these values close to their heart — and should execute the powers of that office with these values in mind.

My name is Chris Taylor, and I want to serve you as county attorney.
